ORDER

On November 15, 2011, pursuant to the court's order of September 30, 2011, the parties filed a Joint Status Report (JSR) in the subject matter. The parties' status report gives an overview of outstanding claims and settlement negotiations that are underway in the subject matter. There are 715 remaining plaintiffs in this suit.

The parties continue to discuss the FLSA exemption status of certain employees in GM-13 positions. In addition, plaintiffs' October 13, 2010 settlement proposal regarding plaintiffs who worked for the Office of Personnel Management as background investigators is the subject of continued discussion. Plaintiffs are considering the government's response to their latest settlement proposal regarding the claims of approximately sixty plaintiffs transferred to Opa Locka Airport after Hurricane Andrew.

In conclusion, the parties report that they continue to discuss a number of other claims and issues, and request that their next status report be filed on or before January 10, 2012. Accordingly, it is hereby ORDERED that the parties

shall **FILE** a **Joint Status Report**, on or before **January 10, 2012**, to apprise the court of the status of the resolution of the claims in the subject matter.
